

Project: Battle Creek Trailhead

Recipient: City of Pleasant Grove, Utah

Location: Pleasant Grove, Utah

Purpose: Battle Creek is the recreational crossroads of Pleasant Grove and the gateway to Mount Timpanogos. Trails provide access to the outdoors for recreation, physical activity, inspiration, education, and exploration of natural and cultural treasures in backcountry, urban, rural, and suburban settings. The trailhead provides access to the Bonneville Shoreline trail system and will also serve the Murdock Canal Trail system, among others. Further, the city is in the process of developing an educational program based on utilization of small hydro power generation. The funds will be used for engineering, paving, curb and sidewalks, and fencing.

Amount: \$300,000
